O mangá de Naruto é licenciado no Brasil pela Panini Comics, se você é fã de verdade não deixe de comprar. Acesse o site www.panini.com.br e saiba como e onde comprar seus volumes!

! ATENÇÃO !

Esse capítulo trata-se apenas de uma versão Prévia, ou seja, após esta, será lançada uma versão definitiva de qualidade superior.

Pra que serve a Prévia?

Para os usuários que priorizam a velocidade e não prezam por uma qualidade incontestável terem acesso ao material antecipadamente.

Qual a diferença da Prévia para a versão Definitiva?

A Prévia é lançada com uma RAW de qualidade inferior, a tradução não passa pelo processo de revisão, algumas notas e SFXs não são adicionados na prévia, além de os *typings* e *redraws* serem feitos de maneira mais precária.

Quanto tempo, em média, após a Prévia a versão Definitiva é lançada?

As prévias deverão ser lançadas assim que houver material disponível para a edição, e a versão Definitiva deverá sair entre 48 e 72h após a prévia.

PAI E FILHO,
